2017-2018 School Year

Dear Parents/Guardians,

Thank you very much for your support and cooperation keeping our students with life threatening allergies safe during classroom snack, birthday celebrations, and seasonal parties.

Here are a few reminders:

- **There will be NO sharing of birthday food items.** This means no cupcakes/cookies/sweets, etc. We encourage you to celebrate your child's special day by sharing pencils, erasers, party bags, etc. Another suggestion from our Librarian, Mrs. Klemmer, is buying a book for the library in honor of your child. Our Parent Organization (PIE) will add a name plate inside the book displaying your child's name. There are many other creative alternatives.
- **Attached you will find an approved snack list.** Your child's snack **MUST** be from this list and in its original packaging. If the snack from home is not on the approved list, the snack will be sent home and not eaten. We will provide your child with an option of a safe snack here at school in this situation. You may send in a large bulk bag of the snack item on the list that can be stored in the classroom, please label your child's name on the bag and the teacher will distribute daily.
- **Please remember to pack your child's snack separately from their lunch box.** Please note, your child can pack any food items for their lunch as our cafeteria has an allergen-safe table.

****This policy only applies to snack time in the classroom.**

Again, please reach out to myself or Mr. Sell at 610-286-8670 or csell@tvsd.org with any further questions/concerns.

Thank you,

Alicia Williams RN, BSN, CSN

TVEC School Nurse
