**October 14, 2016**

**Dear TVEC Families, Staff, and Community,**

**Twin Valley Elementary Center was recently honored for the second year in a row as a Title-1 Reward School for the state of Pennsylvania. This honor is given to the top 5% of all schools in the state who received Title-1 funds and, when measured by a state's standardized assessment, increased the overall achievement growth of the school's students and closed the achievement gap in the "historically underperforming" category (Socio-economically disadvantaged, IEP students).**

**As measured by the 2016 PSSA, which was administered to our 3<sup>rd</sup> and 4<sup>th</sup> grade students this past Spring, TVEC students met or exceeded growth performance measures in English Language Arts (ELA), Mathematics, and Science as well as exceeded growth performance measures for all subjects in the "historically underperforming" category.**

**Congratulations to the TVEC staff and community for their commitment to our school each and every day and to our students for their hard work! Our students are growing each day as we strive to teach the whole child; socially, emotionally, and academically.**

**Sincerely,**

***Craig Sell***
